

ANNUAL PLACEMENT Brochure

2018

PLACEMENT ADVISOR'S MESSAGE

With the financial markets changing in a blink, the world needs human resources that are adaptable to the dynamic status quo yet grounded with values. With its lauded pedagogy of almost three decades, the Department of Financial Studies (DFS) prepares students to not just act as assets to the organization that they become a part of but also to the world at large.

Master of Business Administration (erstwhile MFC), the flagship programme of DFS, has a curriculum that provides in-depth knowledge, cross-functional integration and strong analytical & inter personal skills with a global perspective.

The elective subjects offered in the second-year help students to excel in their areas of interest. The student profile is a vibrant mix from diverse backgrounds and thus gives the batch a new outlook to ideas and situations. Our alumni are reputed and hold offices in the most esteemed organizations worldwide. The faculty consists of distinguished and learned academicians and practitioners who provide students not only with theoretical knowledge but also guide them with practical examples and projects. The students also get the privilege of interacting with guests from the industry who have achieved various accolades in their respective work fields. DFS focuses not only on professional development but also prepares individuals to undertake social responsibilities through community service programmes. Industry visits, workshops and co-curricular programs are a regular feature at the department. The preparation and hard work of students to gain knowledge would remain dormant without the corporate relations that we are honoured to share with members of the business world.

Therefore, I invite you to participate in the campus placement process for the year 2018-19. We look forward to a strong and lasting relationship with our corporate partners.

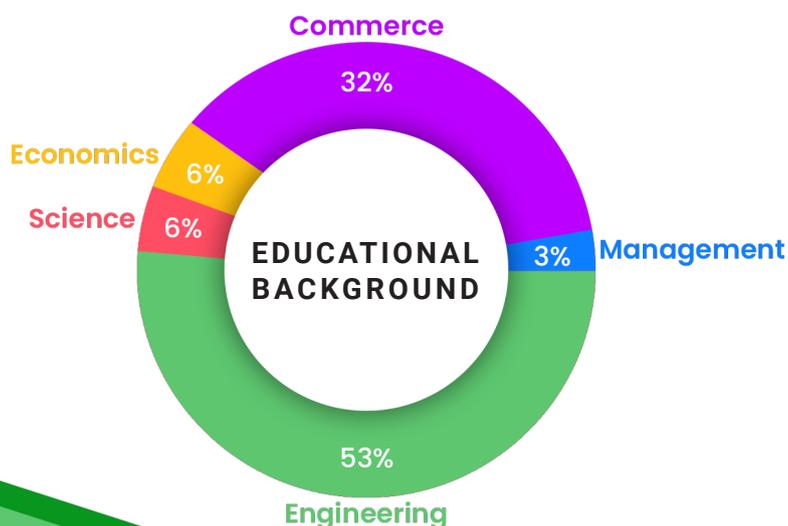

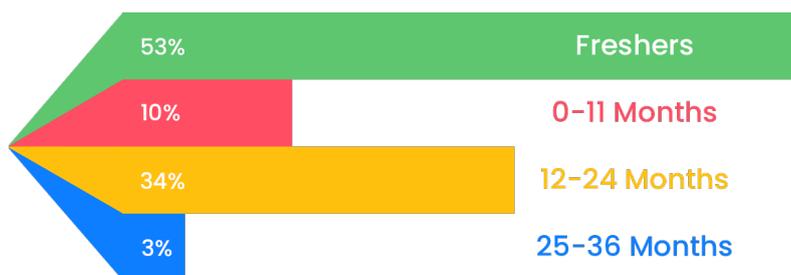

Prof. Sanjay Sehgal

OVERVIEW OF FINAL PLACEMENTS

“If you can dream it, you can do it” – Walt Disney

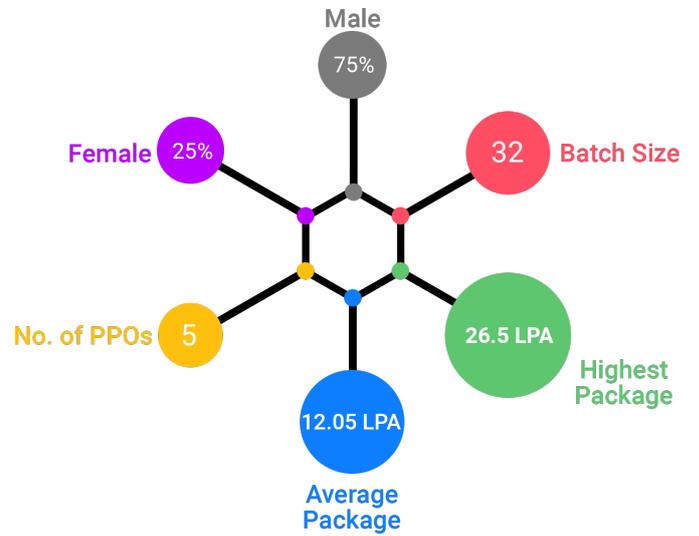

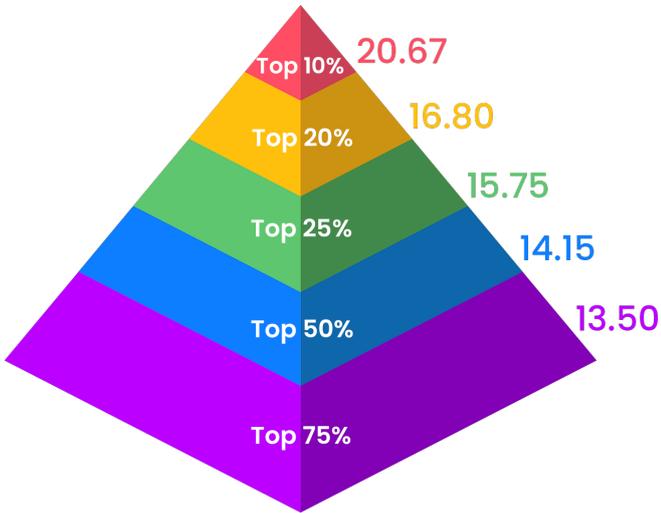

The placement cell of Department of Financial Studies has had another fruitful year of placements in the academic year 2017-18 which saw various companies approach us in their hunt for talent for their organizations. The industries` eminent companies exhibited the unwavering trust on the calibre of DFS student by extending exciting offers and worthy profiles to the department`s scholars. Our regular recruiters, reinforced their faith in our pedagogy, and proposed a substantial rise in the packages. The average package offered jumped from 11.72 LPA to 12.05 LPA. DFS was not just a success chapter and charter of the students opting to join companies but of future entrepreneurs as well, with two students choosing to pursue their entrepreneurial aspirations and thus opting out of the placement process. To rest, DFS provided an excellent placement platform with a healthy “company to student” ratio of 1:2. Prodigious companies extended diverse profiles in the financial domain including investment banking, equity research, credit analysis and corporate finance. De Shaw, Arcesium, ICRA Limited, Ernst & Young, KPMG, Axis bank, ICICI, MCX, CARE are some, among our regular recruiters which showed an unflinching confidence on us. Besides, this year, we successfully build corporate relations with Societe Generale, OfBusiness, TATA AIG, Genpact among others
