# RECRUITERS' SPEAK

"It has always been a refreshing and pleasant experience visiting DFS for campus recruitment. Students display a combination of enthusiasm and intellect. We greatly value our relationship with DFS."

Ms. Pooja S Mahajan  
(Sr. Associate Vice President, IFCI Ltd.)

"It was a wonderful experience to interact with the bright, energetic and enthusiastic students of MFC. Their excellent domain knowledge and pragmatic outlook is quite remarkable."

Dr. Ashok Haldia,  
(Director,  
PTC India Financial Services Ltd.)

"We found the students keen to learn and having an analytical bent of mind"

Mr. Vivek Mathur,  
(Senior Vice President, ICRA Ltd.)

"The advantage that DFS enjoys is its specialized curriculum, focused on the domain of finance. Since finance is a domain of depth, it requires an in-depth exposure at the graduate level and DFS under the aegis of the prestigious University of Delhi is easily one of the best platforms in the country for the same"

Rohit Sarin,  
(Founder Partner, Client Associates)
