# MBA-FINANCE PROGRAM AT A GLANCE

If you are looking for an MBA in finance then Department of Finance & Business Economics, Delhi University is the right place.

- It comes under one of the most reputed universities, that is, the Delhi University.
- Unlike most other institutes where you start with the general MBA and then move towards a specialization, it starts to build a base in finance right from the start.
- The faculty is one of the most important factors for an institute and MBA-Finance Program is blessed in that aspect. MBA-Finance Program faculty, both core as well as visiting, constitutes of scholars and researchers having a strong hold on their subject and a lot of industry exposure and are always ready to help students learn and grow.
- MBA-Finance Program has been ranked among the top 15 B-schools for MBA in Finance as per InsidellIM.

- It has been ranked under AAA category as per TIMES ranking.
- Its ROI is one of the best in India and this factor gives MBA-Finance Program an edge over other institutes.
- MBA-Finance Program provides an excellent placement platform with a healthy “company to student” ratio. Our recruiters include top companies such as De Shaw, Arcesium, Duff and Phelps, Ernst & Young, KPMG, Axis bank, Credit Suisse and Mahindra Group.
- MBA-Finance Program has long standing relationships with foreign institutes which help students secure internships abroad. We also have students coming from these universities who join us for a classroom programme. This year we had 7 students from France.
- Apart from this, MBA-Finance Program is also a CFA affiliated institute and as a part of this recognition, the students of MBA-Finance Program are entitled to scholarships for the CFA Program.

# Placement Advisor Speaks

---

With the financial markets changing in a blink, the world needs human resources that are adaptable to the dynamic status quo yet grounded with values. With its lauded pedagogy of over two and a half decades, the MBA-Finance Program prepares students to not just act as assets to the organization that they become a part of but also to the world at large. Master of Business Administration (Finance), the flagship programme of MBA-Finance Program, has a curriculum that provides in-depth knowledge, cross-functional integration and strong analytical & inter personal skills with a global perspective.

The elective subjects offered in the second year help students to excel in their areas of interest. The student profile is a vibrant mix from diverse backgrounds and thus gives the batch a new outlook to ideas and situations.

Our alumni are reputed and hold offices in the most esteemed organizations worldwide. The faculty consists of distinguished and learned academicians and practitioners who provide students not only with theoretical knowledge but also guide them with practical examples and projects. The students also get the privilege of interacting with guests from the industry who have achieved various accolades in their respective work fields. MBA-Finance Program focuses not only on professional development but also prepares individuals to undertake social responsibilities through community service programmes. Industry visits, workshops and co-curricular programs are a regular feature at the department. The preparation and hard work of students to gain knowledge would remain dormant without the corporate relations that we are honored to share with members of the business world. Therefore, I invite you to participate in the campus placement process for the year 2020-21. We look forward to a strong and lasting relationship with our corporate partners.

MBA-Finance Program focuses not only on professional development but also prepares individuals to undertake social responsibilities through community service programmes.

**Dr. Varun Dawar**

## Stock Pick - an Equity Research Competition

At DFBE, we believe that students should be financially literate and well equipped to make their own financial decisions. Every student should possess adequate financial knowledge to manage their own investments and retirement plans. To provide students with hands on experience and skills used in the stock market, we conducted "Stock Pick" an equity research competition from 28 April - 2 May.

The competition saw 447 registrations from students belonging to various B-schools & esteemed colleges from across India. The first round was the Quiz Round held on 28 April which was cleared by a total of 150 on 1st May. Where teams were asked to follow the market trends, use their finance knowledge & base their decision of choosing a company to invest in on real facts and analysis. For the last round the 6 teams were selected and asked to present their analysis in front of the judge, an industry expert on 2nd May. Their presentations were followed by cross - questioning their investment choice.

We saw a tough competition and it was difficult to decide the winner. finally we declared 4 winning teams with a tie at the 3rd position.
