HEAD OF DEPARTMENT'S MESSAGE

In order to accomplish momentous feats, to rise in the corporate world, it's important to carve out a niche for oneself, to stand out from the crowd. Since the inception of the Department of Financial Studies way back in 1987, a foray into an uncharted territory in the Indian educational scenario, the institution has been grooming financial professionals who are well-equipped to serve the dynamic Indian finance industry. Its flagship programme of MBA (Finance), erstwhile Master of Finance and Control (MFC), is a niche course in finance designed and developed to cater to the ever-changing needs of the corporate world. A comprehensive and rigorous selection process ensures qualification of only the most ingenious and dedicated minds from the country, allowing us to compete with the best of national and international B-schools. The synchronized efforts of the students, faculty, staff and the alumni are aimed at amalgamating the exhaustive academic knowledge and its pragmatic application in the financial sector.
