# ABOUT DFS

To excel in the corporate world, creating a unique niche is crucial. Established in 1987, the Department of Financial Studies has been shaping adept financial professionals for India's dynamic finance sector. The MBA (Finance) program, formerly the Master of Finance and Control (MFC), addresses the evolving corporate demands. A stringent selection process admits only the most talented candidates, enabling competition with leading national and international B-schools. The combined efforts of students, faculty, staff, and alumni integrate deep academic knowledge with practical financial application.

(Estb. in 1987)**

# MBA Finance Program At A Glance

---

**If you are looking for an MBA in finance, the Department of Financial Studies (erstwhile MFC), University of Delhi, is the place where you can actualize your ambition.**

---

- It is offered by the prestigious University of Delhi.
- Unlike most other institutes where you start with the general MBA and then move towards a specialization, it starts to build your base in finance right from the Day 0.
- The faculty is one of the most important factors for an institute, and the MBA Finance Program is blessed in that aspect. MBA-Finance Program faculty, both core and visiting, consists of scholars and researchers with a solid hold on their subject and a lot of industry exposure and are always ready to help students to learn and grow.
- Our recruiters include top companies such as De Shaw, Arcesium, Deloitte, Ernst & Young, KPMG, Axis Bank, SBI Capital Markets, Motilal Oswal, HDFC Bank and Mahindra Group.
- The MBA Finance Program offers a specialized course designed to equip students with key conceptual and analytical skills in financial decision-making. This course stands out due to its balanced approach, covering both fundamental managerial topics like Managerial Economics, Quantitative Techniques, and Corporate Law along with areas including Financial Management & Services, International Finance & Accounting, Investment Management, and Project Appraisal.
- The curriculum now includes new subjects like Derivatives & Risk Management, Treasury Management, Real Estate Investment, Insurance Management, Mutual Funds, and Equity Research. Students also gain expertise in statistics and machine learning through courses in Statistics, Econometrics, and Business Analytics.

# Course Curriculum

- » Marketing of Financial Services

# CFA University Affiliation Program

The Department of Financial Studies is one of the few academic institutions which was recently welcomed into the CFA University Affiliation Program. Academic institutions that embed a significant portion of the CFA Program Candidate Body of Knowledge (CBOK) including the Code of Ethics and Standards of Professional Conduct— into their curriculum are eligible to participate in the University Affiliation Program.

An Affiliated University signals to their students and to employers that their curriculum is closely tied to the practice of investment management and is helpful to students preparing for the CFA® Program exams. The affiliation is a signal to Industry as well as potential students that the MBA Finance Program curriculum is closely linked with professional practice hence giving an edge to those students who are sitting for CFA Exams. As a result of this recognition the students of the MBA-Finance Program are also entitled to scholarships for the CFA Program.

We're thrilled to share that Department of financial studies is part of the prestigious CFA University Affiliation Program. As a testament to this commitment, the department has proudly granted CFA scholarships to three outstanding MBA Finance students.
